SECOND REQUEST FOR CORRECTED FILING RECEIPT

Sir:

This request is filed in supplementation to applicant's earlier filed Request for Correction of PCT Serial Number on Filing Receipt, as another error has been found on the filing receipt.

**1. Error in PCT Serial Number**

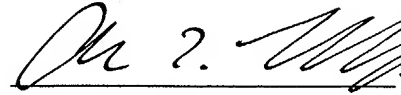

As applicant noted earlier, the filing receipt for the above application bears an incorrect PCT serial number. The correct PCT serial number is **PCT/EPO1/04035** (not 01035).

**2. Error in inventor listing**

Applicants have now noted that the filing receipt also fails to list the fifth inventor **ANDREAS KEILHOLZ** of Hammersbach, Germany.

Correction of the filing receipt to reflect these two pieces of information is respectfully requested. Should any questions arise, please telephone the undersigned attorney for applicant at 212-682-9640.

Respectfully submitted,
